

## **Records Request**

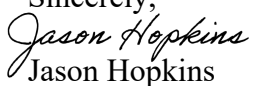

I write on behalf of the Immigration Reform Law Institute (IRLI), Washington, DC and pursuant to the Michigan Freedom of Information Act (MI FOIA), MCL §§ 15.231-15.246, request the following records involving the University of Michigan (UM):

All records of communication, including email, between University of Michigan employees, officers or faculty and any representative of the United States Department of Education, United States Department of State or United States Department of Homeland Security (which would include any agency under DHS, including but not limited to United States Citizenship and Immigration Services and United States Immigration and Customs Enforcement), from and including October 7, 2023 up to and including November 30, 2023. These emails can be limited to messages that include the words “Israel”, “Palestine”, “Gaza”, “Hammas”, “suspension”, “expulsion”, or “collateral consequence”.

IRLI, where I am the Investigations Manager, is a nonprofit organization and tax exempt under Section 501(c)(3) of the Internal Revenue Code. IRLI requests all fees be waived because this request is in the public interest, primarily benefits the general public and does not serve a commercial purpose. If the total fees will exceed twenty-five dollars (\$25.00), please notify me via 202-742-1843 or [foia@irli.org](mailto:foia@irli.org).

I would note that under MI FOIA you have five business days from receipt to respond to this request. *See* MCL § 15.235(2).

Thank you for your assistance in this matter.

Sincerely,  
  
Jason Hopkins  
Investigations Manager
