Dear Mr. Hopkins:

The Los Angeles County District Attorney's Office (LADA) is in receipt of your California Public Records Act (PRA) request in which you seek the following items:

1. The total number of individuals charged with a crime by the Los Angeles County District Attorney's Office who subsequently had their charges changed, relating to the goal of avoiding or mitigating adverse immigration consequences, from and including December 6, 2022 up to and including March 14, 2023.

2. The total list of original charges against individuals who subsequently had those charges changed by the Los Angeles County District Attorney's Office, relating to the goal of avoiding or mitigating adverse immigration consequences, from and including December 6, 2022 up to and including March 14, 2023.

The LADA has performed a diligent search of our records and have found no records that are responsive to your request.

Please note that in providing this response to your request, the LADA does not waive any available rights, defenses, or claims of privilege or exemption of any record under the CPRA or any other statutes.
