Washington, DC

Re: 2023-16792

Dear Mr. Hopkins,

This letter is in response to your Freedom of Information Act (FOIA) request dated 01/10/2023 to the Executive Office for Immigration Review (EOIR) in which you seek

1. All email correspondence to and from EOIR staff that mentions or pertains to the "Immigration Reform Law Institute", from and including January 1, 2021 up to and including January 10, 2023.
2. All email correspondence to and from EOIR staff that pertains to its policy of amicus brief invitations, from and including January 1, 2021 up to and including January 10, 2023.  
(Date Range for Record Search: From 01/01/2021 To 01/10/2023).

Your request as-filed for records would require the Executive Office of Immigration Review to conduct an unreasonably burdensome search. In order for this Office to respond to your request, EOIR would have to search over 3,000 email accounts for all EOIR employees and contractors for a time period of 2 years. Because your request would require an unreasonably burdensome search and is therefore, not reasonably described, your request on hold.

Please contact EOIR to clarify your request. If we do not hear from you within 30 calendar days of this notice, we will assume that you are no longer interested and your request will be administratively closed.

Sincerely,

Jeniffer Perez Santiago  
Associate General Counsel
