PHILIP D. MACWILLIAMS

Trial Attorney

on the following:

- 1. The parties have reached conditional settlements of all claims in this litigation, subject to the approval of the settlements of the minors' claims by a court of competent jurisdiction, which may take some time, to be followed by the approval of the Attorney General of the United States or his designee.
- 2. Absent a stay pending finalization of the settlements, litigation burden and expense will be incurred that are to be made unnecessary by the pending settlements.
- 3. The parties stipulate to file a joint status report every 60 days during the stay to keep the Court apprised of the progress of the pending settlements. It is anticipated that, once the settlements are completed, the parties will file a stipulation for dismissal of all claims.

Therefore, in the interest of judicial economy and efficiency, and to preserve the benefit of the pending settlements, the parties request that the Court enter the attached order vacating all deadlines in the Court's Order dated October 30, 2023 (Doc. 117) and staying this action pending further stipulation or motion of the parties or Order of the Court.

Respectfully submitted this 10th day of January 2024.
